

# Disclosure of OMRAN Group's Performance for 2022

2021  
2022

\*OMR in Millions

\*OMR in Millions

The displayed statistics are the result of restrictions and precautionary measures put on place to limit the spread of the Covid-19 pandemic. These restrictions negatively impacted the tourism industry, in particular in the hospitality sector, which is one of the main investment sectors for OMRAN Group. In addition, depreciation and impairment further affected the financial results.

## Projects & Achievements
